A seminar on Bloom's taxonomy was organized by IQAC on 06/01/2023 at lecture Hall 2 from 10am to 12 pm. Dr. Somasekharan B, Academic Dean, Al Azhar Dental group of Institutions was the guest speaker. The program started with prayer at 10 am followed by welcome speech by Dr. Litto Manual, IQAC Coordinator, Professor and Head of the Department, Department of Prosthodontics. 77 faculties participated in this program. The speaker emphasized the need for common language for teachers to assess learning. He discussed in detail about its six major categories such as Knowledge, Comprehension, Application, Analysis, Synthesis, and Evaluation. He spoke how the levels of Bloom's Taxonomy can aid in guiding students through the learning process, starting with remembering, understanding, evaluating, and creating which makes it particularly beneficial for course design. The seminar was followed by discussion wherein faculties raised queries regarding the subject. The faculties were benefited immensely by the program. Vote of thanks was delivered by Dr. Albert Benny, IQAC member.
